Notion Template Version (Recommended)

Create a Notion workspace with these pages:

1. **Dashboard** (Home)
2. **Executive Summary**
3. **White Paper**
4. **Pitch Deck**
5. **Financial Plan**
6. **Product Demo** (embed Loom video + GitHub link)
7. **IP & Legal**
8. **Team**
9. **Data Room Index** (link to this structure)

Access Control:

- Public link for warm leads (limited pages)
- Full access only after NDA or serious interest

Tip: Start with Google Drive folders today. Move to Notion once you have your first 2–3 serious conversations.
