

Master Package Index

Morris Law Kernel v3.5 + IP Protection System · Kevin Morris · July 2026

Project: Morris Law Kernel v3.5 + Court-Grade IP Protection System

Date: July 25, 2026

Owner: Kevin Morris / GravelKing Productions

This document serves as the central index for the complete package. All files referenced below are in the same folder.

1. Core Technical System

File	Description
morris_law_kernel.py	Core adaptive mastering engine (Numba accelerated)
ip_protection_system.ts	Cryptographic provenance + digital signature system
robust_embed.ts	Robust hybrid watermark embedding
blockchain_anchor.py	Blockchain / trusted timestamping module
verification_api.py	FastAPI verification service (legal reports)
app.py	Professional Streamlit frontend
REPLIT_AGENT_MASTER_HANDBOOK.md	Complete instructions + code for Replit agent

2. Business & Go-to-Market Documents

File	Description
WHITE_PAPER_Morris_Law_Kernel_v3.5.md	Professional technology white paper
PITCH_DECK_Morris_Law_Kernel_v3.5.md	Pitch deck content (ready for slides)
FINANCIAL_PLAN_0_30_Days_Bootstrapped.md	30-day bootstrapped execution plan
LINKEDIN_OUTREACH.md	Targeted outreach list + copy-paste messages
7_DAY_PROMO_POSTS.md	7 daily value-first social posts
DATA_ROOM_CHECKLIST.md	What to prepare for serious conversations
LICENSING_TERMS_TEMPLATE.md	One-page licensing terms template
OUTREACH_TRACKER.md	Outreach management tracker template

3. New Additions (This Package)

File	Description
MASTER_PACKAGE_INDEX.md	This central index document
DATA_ROOM_STRUCTURE.md	Actual Data Room folder/Notion template
INVESTOR_PARTNER_EMAIL_TEMPLATES.md	Ready-to-send email templates
DEMO_VIDEO_SCRIPT.md	Short demo video script (2–4 min)

How to Use This Package

1. Give REPLIT_AGENT_MASTER_HANDBOOK.md to your Replit agent to build the full system.
2. Use the Business documents for outreach, pitching, and partnerships.
3. Use DATA_ROOM_STRUCTURE.md when you have serious interest.
4. Use the Email Templates and Demo Script to accelerate conversations.

This is the complete, professional-grade package for Morris Law Kernel v3.5 + IP Protection System.
